

PETROLEUM PORTS AUTHORITY

MARINE NOTICE No. 041/2016

Station/Port.: JD/Ruwais
Ref No: JDR/PPA/MN/041/16

Date: 13/10/2016

Priority: ☒ Urgent
☐ Normal

SUBJECT : CGG 3D SEISMIC SURVEY.
Phase I – Completed & Phase II - Commenced
DATE : With effect from 15th Oct 2016

LOCATION/POSITION: As per attached Latitude / Longitude Positions

Note: This Marine Notice Supersede Marine Notice No. 006/2015 dated 14th Oct 2015
Marine Notice No. 038/2016 dated 8th Sep 2016

DETAILS / INFORMATION

This is to announce that all “Phase-I” seismic survey operations overlapping with the routes and approaches to Jebel Dhanna Ruwais Port have been completed by CGG on 10th Oct 2016.

The alternative route which was established for this project is no more required. The temporary navigational buoy (Special Mark-QY) in position 24° 44'.97 N, 052° 52'.06 E will be removed in due course.

The recommended route as marked on BA Chart No 3179, is now clear for navigation. All vessels calling at Jebel Dhanna Ruwais Port inbound and /or outbound, are advised to follow the recommend route effective with Saturday, 15th Oct 2016.

New Subject:

CGG are commencing “Phase-II” of the seismic survey project within the bounded area as indicated on the attached drawing, using small boats to deploy seismic cables on the seabed. Floating buoys and markers will be connected to the cables for ease of identification. This is for your information and precautions where necessary.

CAUTION: When in the Vicinity of the working area, mariners are reminded to:

- Keep well clear and maintain a listening watch on channel 9/21.
- All movements should be coordinated with VTIS.
- All marine/project crafts passing this zone should navigate with caution.
- Proceed at safe speed and not to drop anchor at this locations.

For Petroleum Ports Authority
