

**Petroleum Ports Authority**  
**Circular No. 01/2019**  
**03/01/2019**

**ALL PETROLEUM PORTS**

**MANDATORY VESSEL TRAFFIC INFORMATION SYSTEM**

Please be advised that the UAE's Federal Transport Authority - Land & Maritime, has granted its approval of the current Vessel Traffic Information System, as implemented by ADNOC-Petroleum Ports Authority since 20<sup>th</sup> October 2013.

Therefore, with effect from 1<sup>st</sup> January 2019, compliance with the Vessel Traffic Information System shall be mandatory upon all vessels calling at any of the terminals in the Petroleum Ports of Jebel Dhanna Ruwais, Das Zirku and Mubarraz.

The Petroleum Ports Authority is in the process of publishing the system and its details on the appropriate navigational charts and into the relevant nautical publications.

Masters of vessels navigating within the Petroleum Ports Limits and it's approaches are hereby notified to maintain the applicable charted navigational routes and to strictly adhere to the requirements of the "International Regulations for Preventing Collisions at Sea".
