Subject : Summer Break Working Hours - 2020

With Reference to the ADNOC circular "Ref No.HSEU/OUT/2020/7925" Dt. 30.05.2020, from the Senior Vice President, Group Health Safety & Environment and in line with Ministerial Decree No.365 of 2018 issued from the ministry of Human Resources and Emiratization UAE, with respect to "Mid-day break during summer time".

Please find the following arrangements in the port of Jebel Dhanna/Ruwais, to avoid operational delays during the summer working hours " Restricted time between 1230-1500 hrs", from 15th June until 15th September 2020.

1. Pilots will board the vessels at Ghasha pilot station before 0830 hrs or after 1230 hrs - Client vessels are requested to plan their ETA accordingly.
2. The cargo loading/discharge operations are to be adjusted in sufficient time, to avoid un-berthing during the restricted time.
3. Summer working hours within Petroleum Ports applies only to berthing/unberthing operations when riggers are required to work on open decks for connection and disconnection.

Any clarification related to this **Port Marine Circular**, may be directed to the Harbor Master at
