**Subject: Summer Working Hours 2020**

With Reference to the ADNOC circular "Ref No.HSEU/OUT/2020/7925" Dt. 30.05.2020 from the Senior Vice President, Group Health, Safety & Environment and in line with Ministerial Decree No.365 of 2018 issued from the ministry of Human Resources and Emiratization UAE, with respect to "Mid-day break during summer time".

Please find the following arrangements in the port of Das, Zirku & Mubarraz, to avoid operational delays during the summer working hours "Restricted time between 1230-1500 hrs", from 15<sup>th</sup> June until 15<sup>th</sup> September 2020.

1. Pilots will board the vessels at Das/Zirku Pilot station before 10:00 hrs or after 14:00 hrs, therefore the client vessels are requested to plan their ETA accordingly.
2. The cargo loading/discharge operations are to be adjusted in sufficient time before or after the restricted time.
3. Summer working hours within Petroleum Ports applies only to berthing/unberthing operations when riggers are required to work on open decks for connection and disconnection.
