PORT MARINE CIRCULAR
NO. 002 of 2013

25 FEB 2013

**To Project Contractors
 Project Craft Community**

Mooring Markers , Buoys ,Fenders and other Associated Equipment

Reference is made to the circular No. 004/2011 dated 10th July 2011

Please be informed that several floating objects were recovered during last two months without any identification.

It was clearly instructed that any loss of such equipment, in the PORT shall be notified immediately to the Port Control and writing to the port authority in a reasonable time.

The floating objects severely damage the propellers of the ships during their passage and berthing / un berthing operations which is causing an immense risk and recovery cost impact will be on concerned marine contractor.

Therefore, all concerned are requested to stop this recurrences immediately to avoid suspension of the marine project commissioning permit.

Your continued co-operation and support is sought.
