Subject: **ISGOTT interactive Ship Shore Safety Checklist (SSSCL)**

Effective from 01.06.2021, all vessels visiting Das Zirku & Mubarraz Ports are required to use interactive SSSCL as per ISGOTT V6, the process for completing the checklist shall be as per below:

- a) Vessel Master shall initiate the process by completing part 1A, 1B (if applicable) of the checklist, once completed send the checklist electronically to the terminal representative via the agent.
- b) Terminal representative shall complete Part 2 of the same checklist and send back to the Vessel master via the agent. This completes the sections required to be completed before arrival at the terminal.
- c) Once the vessel is at the terminal, depending on the vessel type, all other relevant sections shall be completed on the same checklist.
- d) SSSCL shall be digitally signed, completed, and retained for records as per internal procedures for the vessel/terminal.

The interactive SSSCL has been introduced to improve working relationships between a Vessel and the terminal, and thereby to improve the safety of operations. It is imperative to use the checklist electronically, thus reducing the paper work and enhancing the interaction between Vessels and Terminal.
