

PORT AUTHORITY OF JD/RUWAIS

PORT MARINE CIRCULAR

NO. 005 OF 2016

27<sup>th</sup> December 2016

To. All Agents / Master's of Cruise Vessels calling Sir Bani Yas Island Anchorage.

**SIR BANI YAS ISLAND - NAVIGATIONAL ROUTES**

Dear Sir,

While the Petroleum Ports Authority of ADNOC is committed to facilitating and supporting the entry of cruise vessels calling at Sir Bani Yas Island resort, we ought to remain conscious of the importance and the sensitivity of this industrial port.

Masters of cruise vessels are hereby advised that the port has been subject to recent modifications of its navigational routes and channels, and therefore Masters of cruise vessels are kindly requested to abide by the Port Authorities' rules and regulations, and to follow the pilotage advice on recommended navigational routes, always consistent with the relevant navigational charts as amended. Also to note that "Blind Navigation" is not allowed in this port except in extreme cases of sudden fog or sand storms during channel navigation.

Kindly be advised that we will always exert our best endeavors to secure safe navigation of Cruise Vessels through our port with our best wishes to all passengers for a pleasant stay at this fine resort.
